| EXAMS | % Obtained |
|-----------|--------------------|
| 10th ICSE | 89.88 |
| 12th CBSE | 70 |
| Btech | Currently studying |

Life Aim

My aim in life is to a web Developer. I am passionate about taking internships and start-ups, and I aspire to make a positive impact on tech fields and just want to start something intresting on my own. Through continuous learning and hard work, I aim to achieve Btech degree and prepare for GATE or CAT examinations.
